We are all free to go

where we wish and to

be what we are —

Jonathan Livingston Seagull

Free to -

smile

laugh

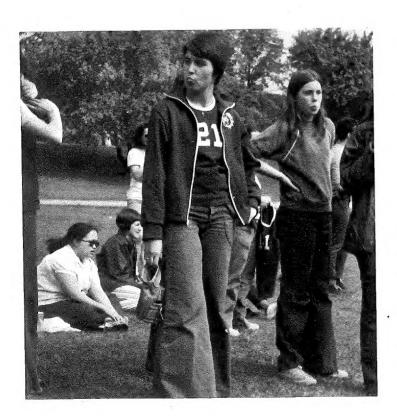

cry or

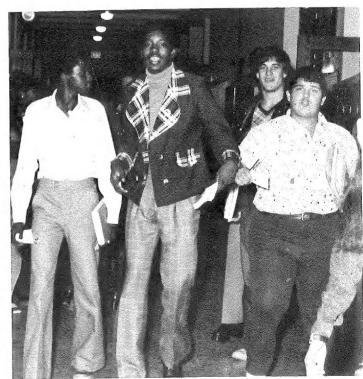

frown

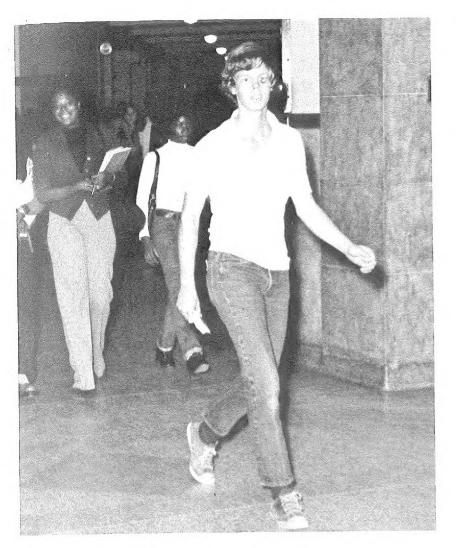

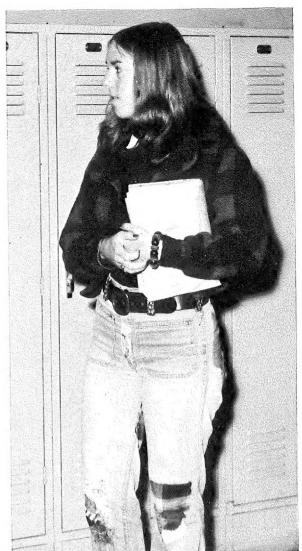

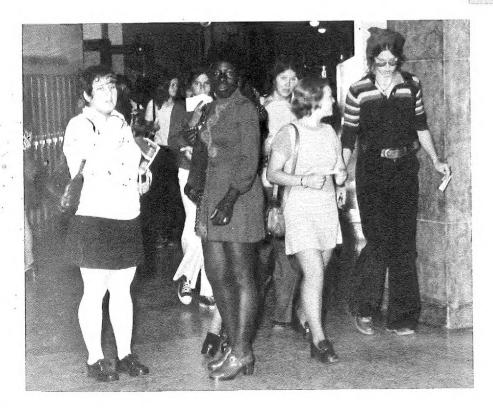

Free —

to be

The past four

years have helped

us to discover

who we are and

where we're going —

We have grown

more aware of

ourselves and

our surroundings.

We have learned

to notice others

and what they

stand for —

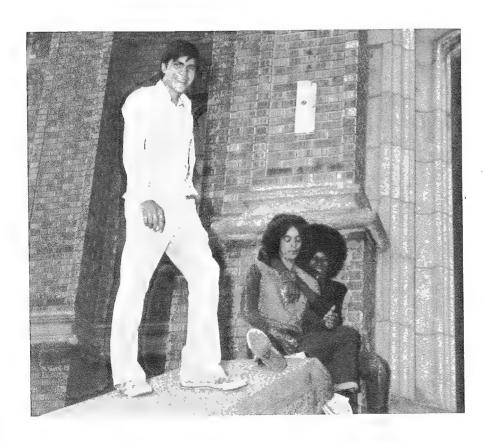

to let them

be proud of

what they are

as we are ---

proud.

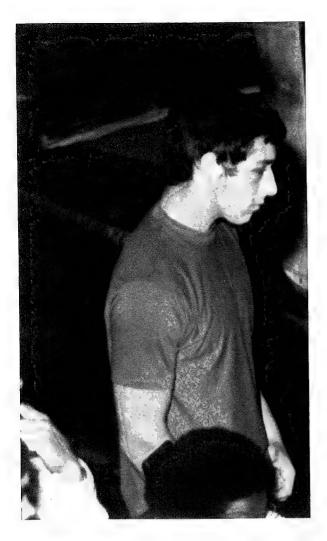

So we look

back on the

past four years

with a sadness

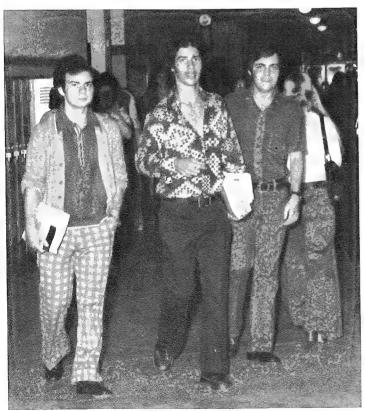

of those who

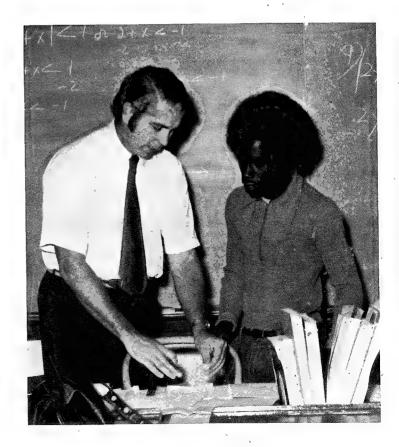

know they have

lost something

for what they

will gain . . .

. in the future

way over yonder —
that's where i'm bound

carole king

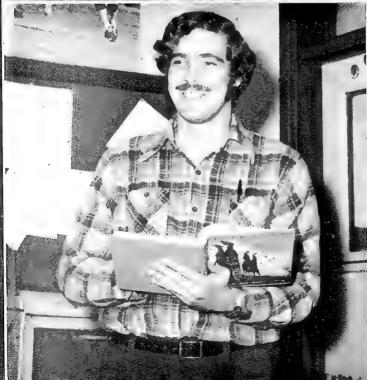

The Teacher is like the candle which lights others in consuming itself.

"In our history books lives the soul of the past, the achievements and makers of the past, who when understood, can provide guidance for the future.

Looking backward and evaluating what has happened is an important part of looking forward and planning for the future."

Harold H. Eibling

June Arnold

Business

"Business is a field in which certain qualities and faculties which are fundamental to the harmonious running of the world can be cultivated. Brotherliness and cooperation, honesty and accuracy, service and sacrifice should be substituted for competition and rivalry, falsehood and fraud, ambition and greed . . . Business is a means to an end, not an end in itself."

Music

Music is a thing of the soul, an instrument of God. It lightens labor and speeds play, it soothes the sad, refreshes the weary, breaks human barriers, stirs patriotic impulses and dignifies the activities of mankind.

Art

Excellence in art, as in everything else, can only achieved by dint of painstaking labor. There is not less accidental than the painting of a fine picture or chiseling of a noble statue. Every skilled touch of the ist's brush or chisel, though guided by genius, is the pruct of unremitting study.

Cross-Country "74" showed a marked improvement in the Bulkeley team. The previous year the cross-country team went winless. The record this year was 2-8-1 a noticeable improvement. This year Bulkeley's Cross Country team defeated Weavor and Enfield. John Ensign finishing was the crushing blow to Enfield. New Britain slipped by Bulkeley 27-29 because of the injury to a top runner from our school. Coach Vertifuille and his runners worked hard this year. Practice was in Goodwin and Colts park. Tri-captains were Gary Ankuda, John Ensign, and Steve Opalnick.

> And so we say good-bye we of 1974
